## EDUCATION

- Master of Architecture • Pratt Institute, Brooklyn, NY - 2008
- B.A. in Music, Cum Laude • Inter American University, San Germán, PR - 1995

Intern Architect | August 2010 - January 2011

Luca Andrisani Design and Interiors

Prepare construction drawings for interior residential and commercial renovations. Meet and coordinate with clients, survey job sites, research materials. Prepare office stationery.

Design Intern | May 2009 to September 2010

Umberto Squarcia Designs

Prepare drawings of a variety of different projects (architecture, interior design and renovations). Meet with clients, communicate and coordinate with vendors, consultants and contractors.

Summer Intern | Summer 2007

5H Architecture

Prepared presentation material, survey, draft, build computer models, met with clients, visited job-sites, communicated and coordinated with vendors, consultants and contractors.

Graphic Design Manager | July 2000 - January 2001

Wellogic, Inc

I was in charge of the creation and design of all corporate identity and marketing material, product logos, and project Web sites. Corporate identity materials included brochures, business cards, stationery, promotional posters, etc. Designed look and feel of project web sites for all Wellogic product lines and consulting group. Designed and implemented project websites, application interfaces (UI) and icons to be used in clinical applications and software tool kits for healthcare organizations. Tools used include Adobe GoLive, PhotoShop and Illustrator on Mac and PC platforms.

Graphic Designer | April 2000 - July 2000

Vistaprint.com

I created library of stationery designs for use in their on-line business card application. Also created several pieces of user interface artwork and cleaned up previous designs for on-line stationery system. Designed promotional artwork and company folders and t-shirt.

Graphic Designer | 1997- 1999

Reuben H. Donnelley

Created print ads for telephone directories. Processed camera-ready ads, implemented ad designs, corrected existing ads. Tools and software utilized include Adobe Photoshop, Adobe Illustrator, flatbed scanners and clip art CD-ROMS on Macintosh platforms. Helped with training of new employees. Recipient of the 1998 Excellence Award for the Graphic Design Department.
